

WESTERN CUNA MANAGEMENT SCHOOL

Pi Class

WEEK 2, YEAR 2

CLASS OF 2018

A MESSAGE FROM PRESIDENT EVAN

Thank you, thank you, THANK YOU to every single Pi for an amazing event last week. Meet Your Match met my every expectation. Our event committee did an amazing job, as well as the sneaky moles and the gang of detectives dedicated to solving the mystery.

Our mission to help the Rho Class find their way at WCMS was accomplished. We made it happen together, and we even danced together. Phil and Martha, you rock.

As our time at WCMS comes to a close, I want to wish everyone well on their exam tomorrow and congratulate the Omicron class on their completion of three intense years of classes and two extensive projects. That'll be us next year, guys!

Enjoy your last couple of days at WCMS. WE ARE PI!

PROJECT ONE HONORS

Congratulations on the very successful completion of your Year One projects!

AUCTION TOPS 2016

The gavel has fallen, and the 2017 Tri-Class Auction was deemed a success. 60 volunteers came together from all three classes to host the annual event in an effort to raise funds for the WCMS Scholarship. The auction raised more than \$28,000 dollars, far exceeding the \$20,000 goal, with 84% in the form of cash donations.

The new layout of the event breaking up the live auction, offering the free to play spin the wheel, and 158 enticing auction items kept the crowd in constant motion. The auctioneer kept the excitement going with the live auction, including an intense battle for the coveted platinum dorm rooms and the Apple watch.

The strategic fan placement and the much-appreciated water donation by David Ellings helped keep the heat at a tolerable level.

The evening culminated with the end-of-the-night door prize, a \$100 gift card, won by none other than Nancy Wood.
